9:00 A.M. Call-to-Order & Welcome

9:10 A.M. An Introduction to First Landing State Park

As Virginia's first and most-visited state park, First Landing provides a first-hand experience of the Chesapeake Bay as well as a significant history lesson to its visitors. We will get an introduction to what the park has to offer and the needs that our state parks face.

*Bruce Widener
Park Manager, First Landing State Park*

9:30 A.M. Virginia Director's Lightning Round Updates

- Resilient Virginia Revolving Fund Guidance
- Agricultural BMP, Conservation Tillage & Precision Agriculture Equipment Tax Credits
- Freshwater mussels

9:45A.M. Urban Stormwater: The Growing Source

How is Virginia adapting the regulatory landscape to address the only growing source of pollution? What has been done so far and what changes are needed to streamline our efforts? How could Virginia achieve targeted pollution-reduction outcomes?

*Mike Rolband
Director, Department of Environmental Quality*

10:30 A.M. Break

10:45 A.M. Paying for Performance: Rethinking our approach to nutrient pollution reduction
The *Chesapeake Bay: Comprehensive Review of System Response* report revealed the need to shift our restoration metrics from simply installing practices to achieving targeted, pollution-reduction outcomes. How can Virginia adapt? What does a successful pay-for-performance program look like? What are the integral elements for a Virginia-focused program?
